HPPI announces WATSAN empanelment with Government

Under the empanelment, HPPI will work with Ministry of Drinking Water and Sanitation "to ensure permanent drinking water facilities along with proper and safe sanitation to all in rural India, following the guideline principles of portability, reliability, sustainability, convenience, consumers preference, while mobilizing the community actively right from planning stage".

HPPI in the NEWS

CSR Today magazine, lauded the efforts of United Way of Delhi and Humana People to People India for their collaboration on "PEHAL" a Community Development and Livelihood Project in Chakkarprur, Gurgaon by celebrating them on their cover page of August 2014 issue along with an in-depth article.

HPPI actively engages with the stakeholders through increased Social Media presence, to share and celebrate its journey and milestones.

The screenshot shows the official Facebook page of Humana People to People India. The page header includes the organization's name and a profile picture. A recent post features a photograph of several children playing outdoors. Below the photo, the caption reads "Humana People to People India Community Organization". The page interface shows standard Facebook navigation elements like "Timeline", "About", "Photos", "Reviews", and "More".

One Million Tree Plantation Campaign – HPPI planted over 8,00,000 thousand trees in 2014 across India

Humana People to People India (HPPI) has decided to support the efforts of Ministry of Health, Govt. of India in improving detection of missing TB cases in selected areas of the country through community mobilization and engagement activities thereby addressing one of the principal challenges on India's health and wellness sector.
